Extra Info:		

GENERAL EQUIPMENT

GENERAL INFORMATION

Description: 'Free Spirit' has great potential although does need some TLC hence the price. The exterior of 'Free Spirit' is still in original gelcoat although does need a good clean and polish. The cockpit consists of Helmsman seat and controls, pilot seat and bench seat across the stern. As you step down into the cabin you will find the four seatter dinette which converts to a double berth on the port side, opposite on the starboard side is the galley which houses the cooker and sink. Forward from the galley also on the starboard side is the Head (toilet compartment), opposite this on the port side is the wardrobe and finally the V berths in the bow, which act as two singles.
